

# TEST BORING APPLICATION

Name of Applicant: \_\_\_\_\_

(Owner of Test Bore Project)

NOTE: If the applicant is not the legal owner of the property, a lease agreement or written permission from the owner has to accompany this application.

Mailing Address: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Contact Person: \_\_\_\_\_

Telephone No. \_\_\_\_\_

Drilling Company: \_\_\_\_\_

## Test Boring Data:

Purpose of Test Boring:

- |                                                                 |                                                                        |
|-----------------------------------------------------------------|------------------------------------------------------------------------|
| <input type="checkbox"/> Environmental site assessment (ESA)    | <input type="checkbox"/> For horizontal construction foundation design |
| <input type="checkbox"/> Contamination investigation (CI)       | <input type="checkbox"/> For vertical construction foundation design   |
| <input type="checkbox"/> Additional contamination investigation | <input type="checkbox"/> Other _____                                   |
| <input type="checkbox"/> Percolation Test                       | (Specify)                                                              |

Type of Drilling: \_\_\_\_\_

Bore Hole:

Maximum Depth of Boring: \_\_\_\_\_

Number of Hole(s): \_\_\_\_\_

Diameter of Hole: \_\_\_\_\_

No. of Test Pits: \_\_\_\_\_ (\_\_\_ l x \_\_\_ w x \_\_\_ d)

Sampling Technique: \_\_\_\_\_

Project Location: \_\_\_\_\_

Proposed Start Date

of Test Boring: \_\_\_\_\_

(Lot No. & village)

Attachments: The following checked items are submitted herewith:

- |                                                                                       |                                                                                                                   |
|---------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> Lease agreement or owner's written permission, if applicable | <input type="checkbox"/> Report of previous investigation if permit is for additional contamination investigation |
| <input type="checkbox"/> Location Map (Scale of 1:400)                                | <input type="checkbox"/> Reason for ESA or CI (See geological purpose)                                            |
| <input type="checkbox"/> Site Map (Scale of 1" = 50')                                 | <input type="checkbox"/> Description of horizontal/vertical construction                                          |
